LITTONIAN

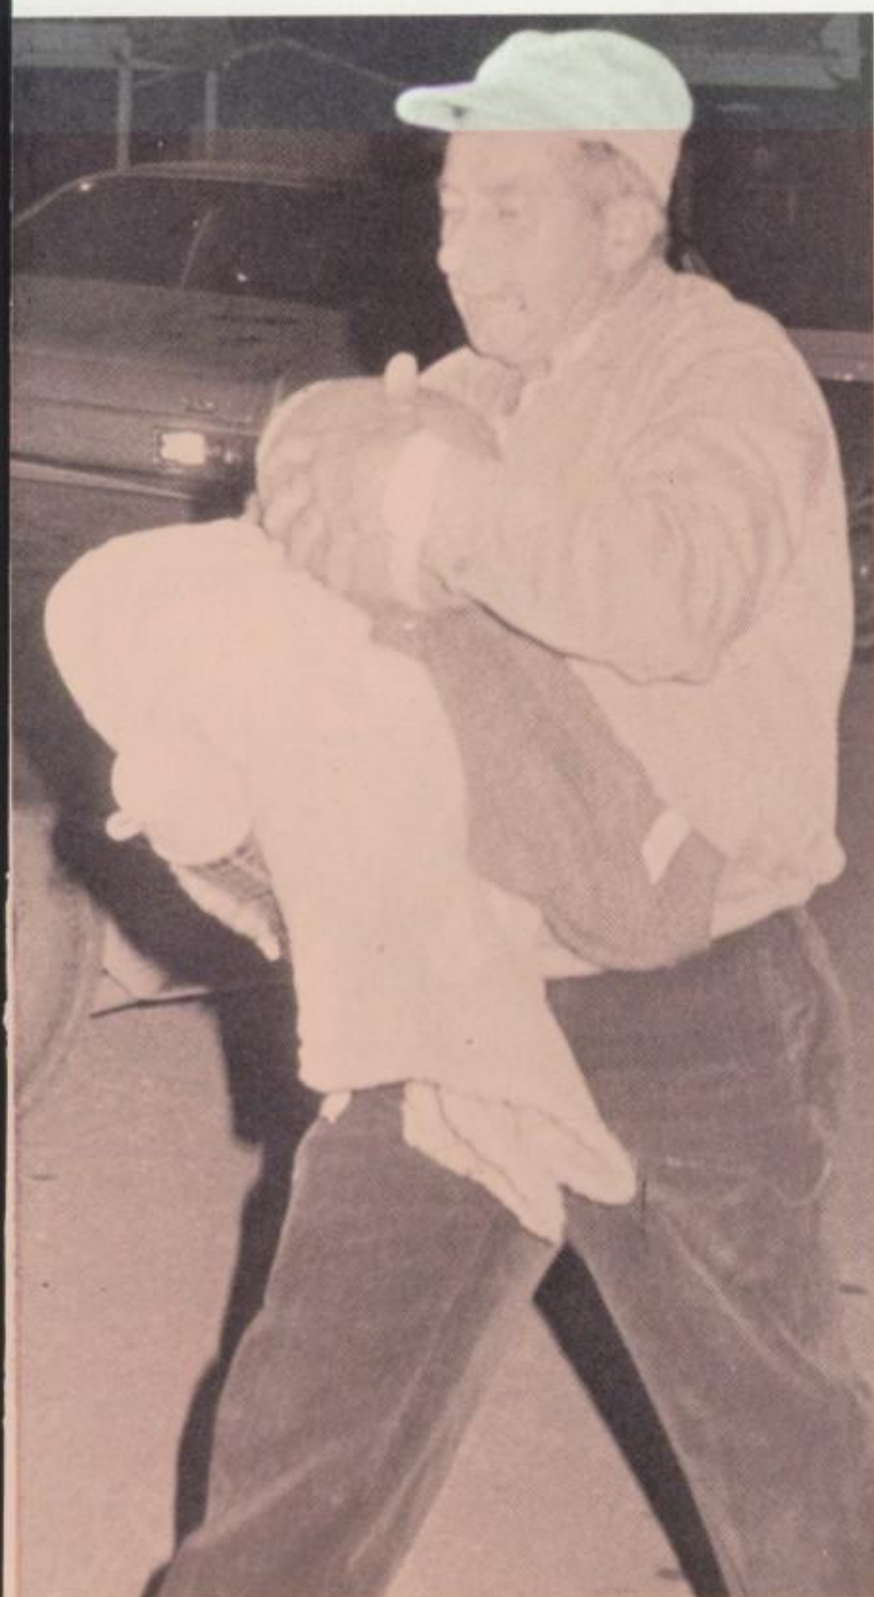

*Time wears many faces, some
happy, some sad, but each holds
a special memory of L.H.S.*

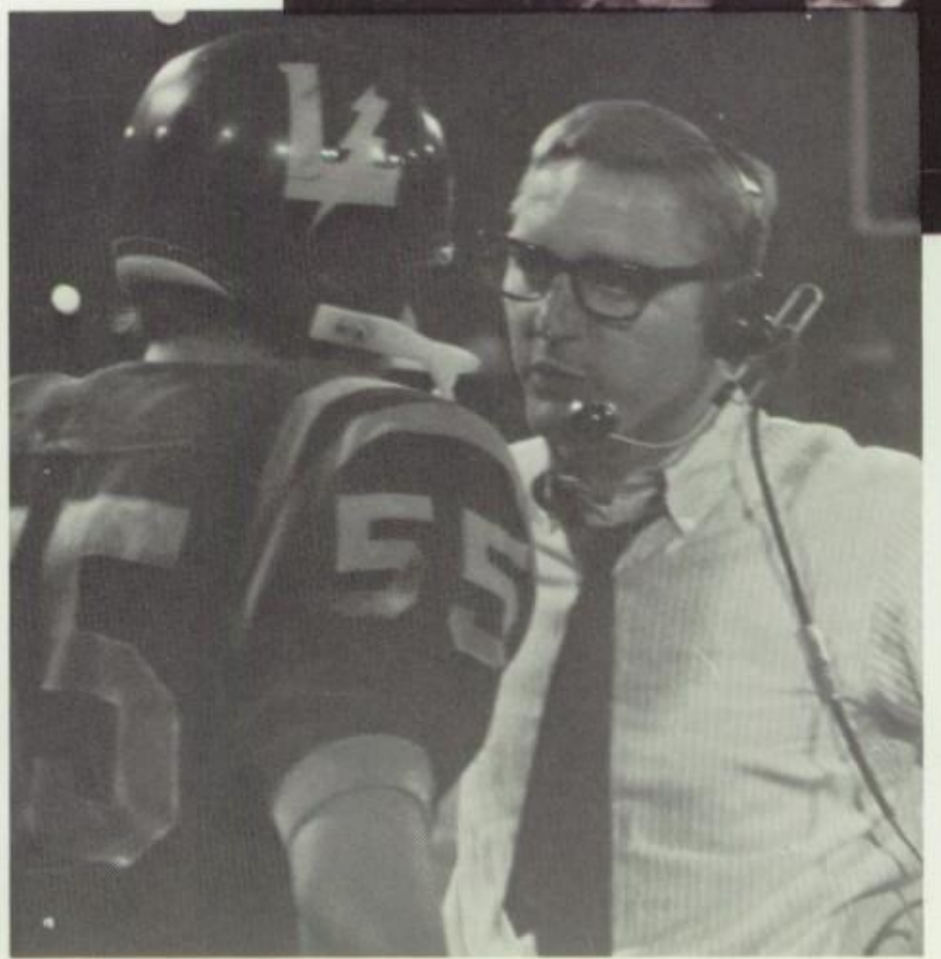

Those first days of school filled with the "newness" of another year, a special year in the minds of all seniors, with a new awareness of people, things, and places which will soon fade into the past.

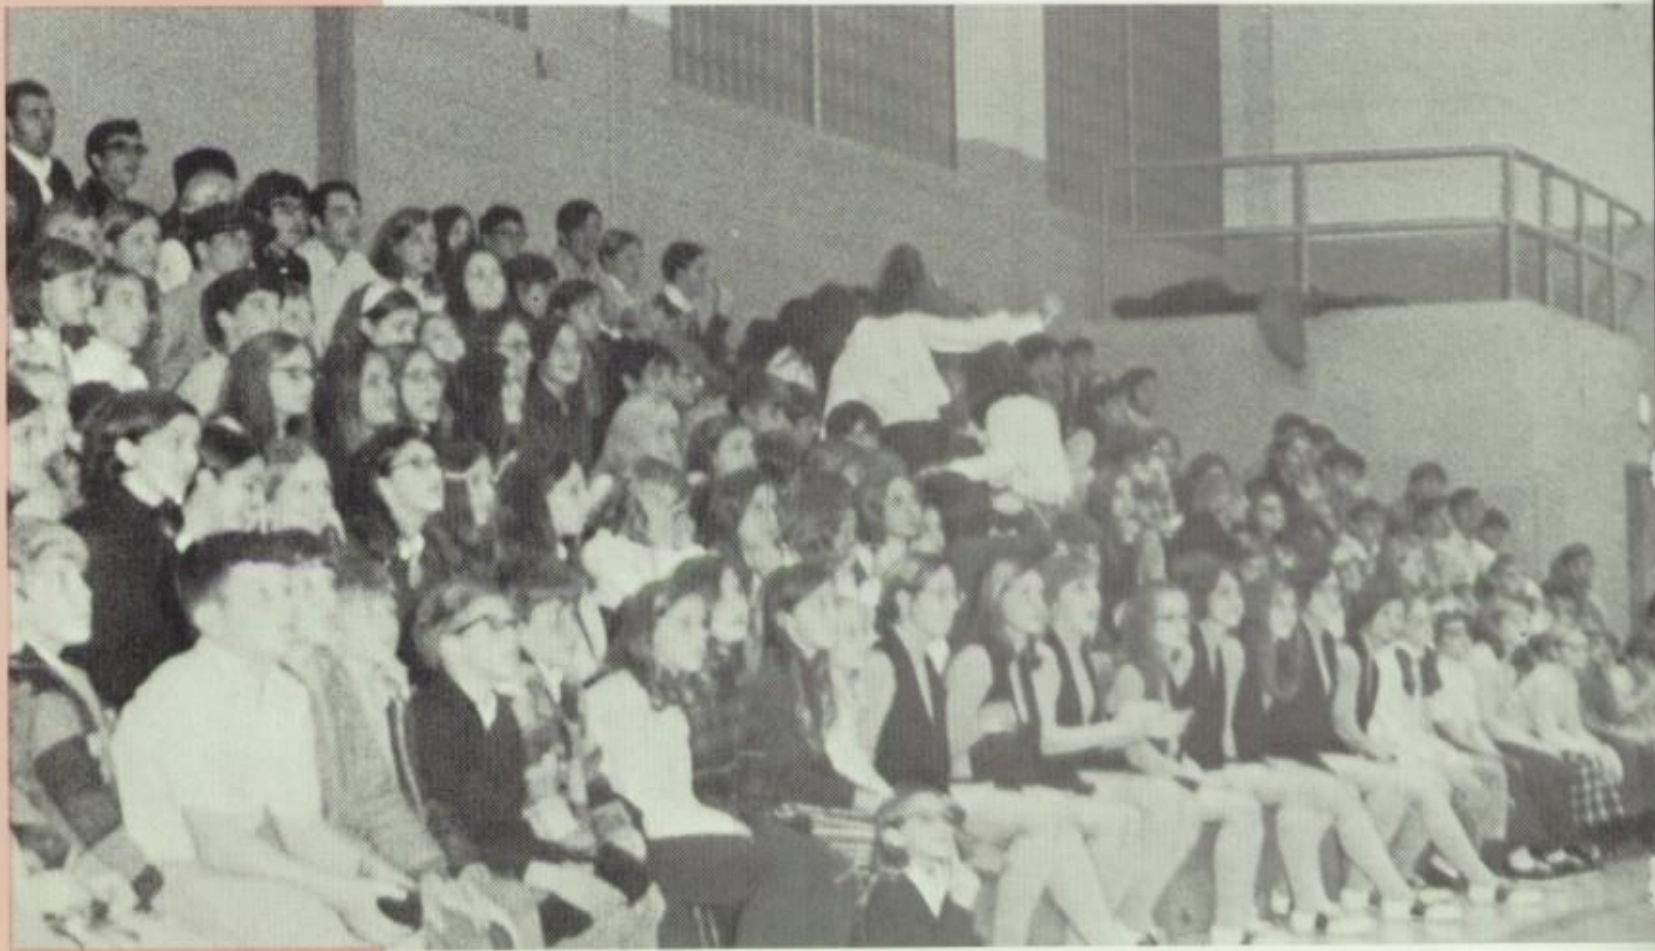

*Those chilly fall evenings,
when we bundled under
blankets with hot coffee at
Memorial Field.*

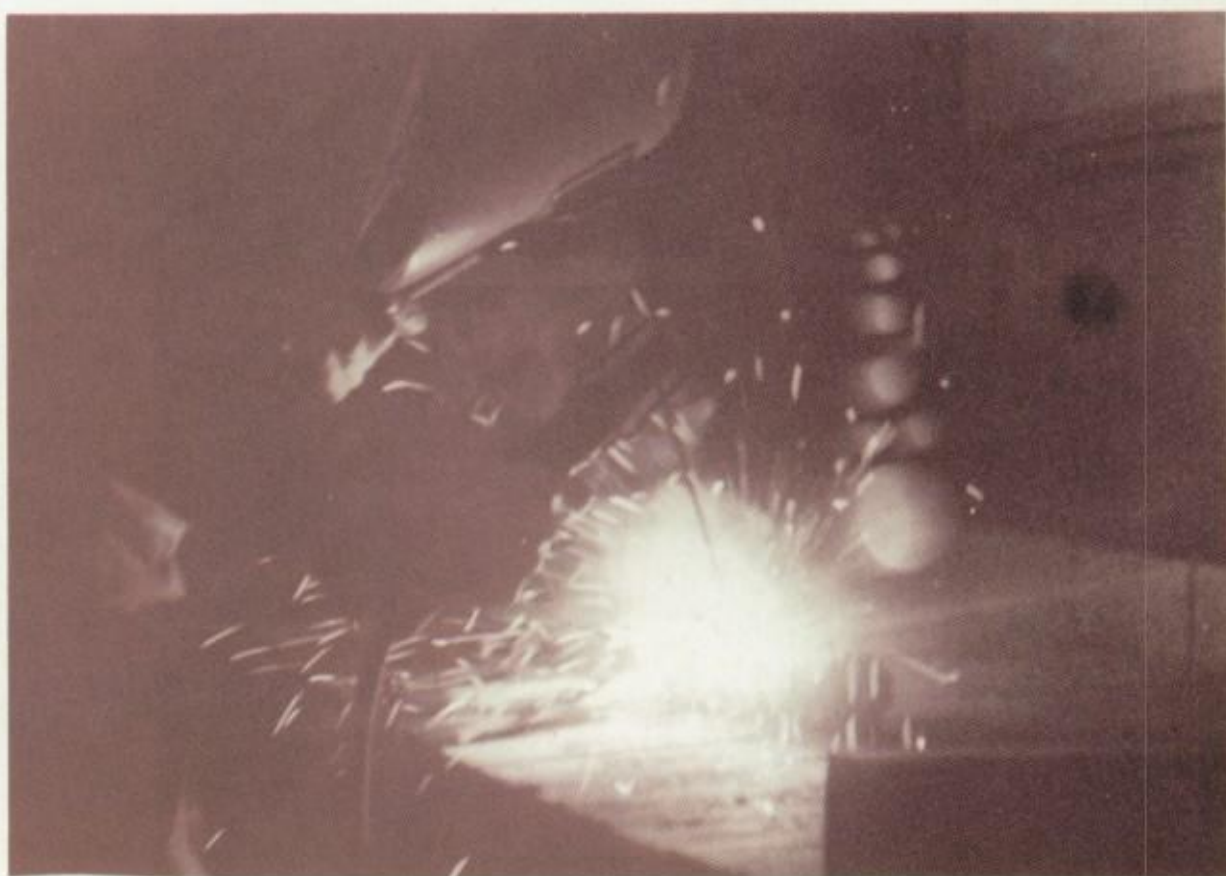

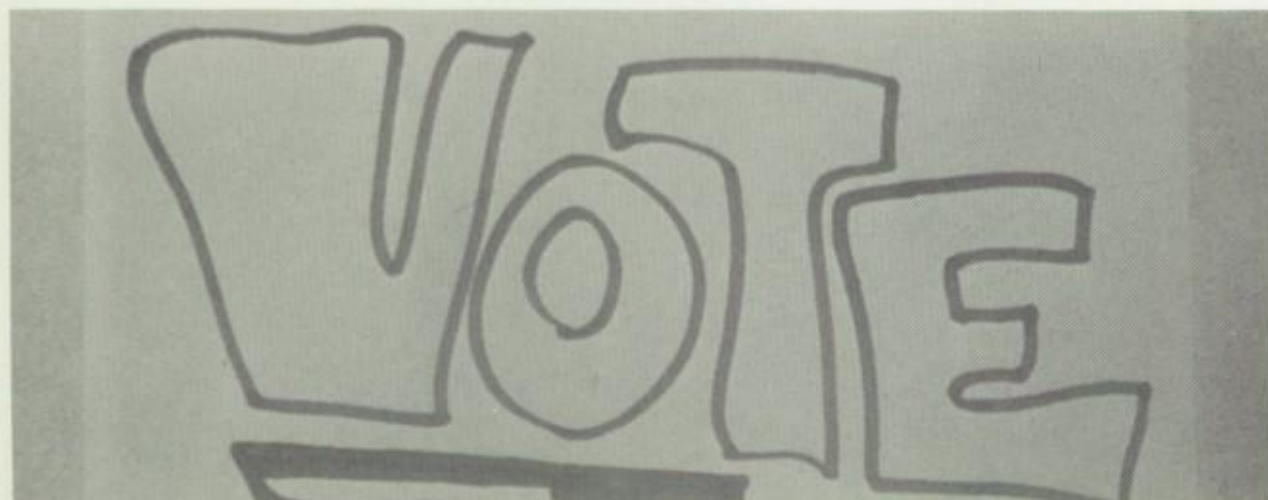

*Gathering at places which have been
vital parts of our existence through these
years.*

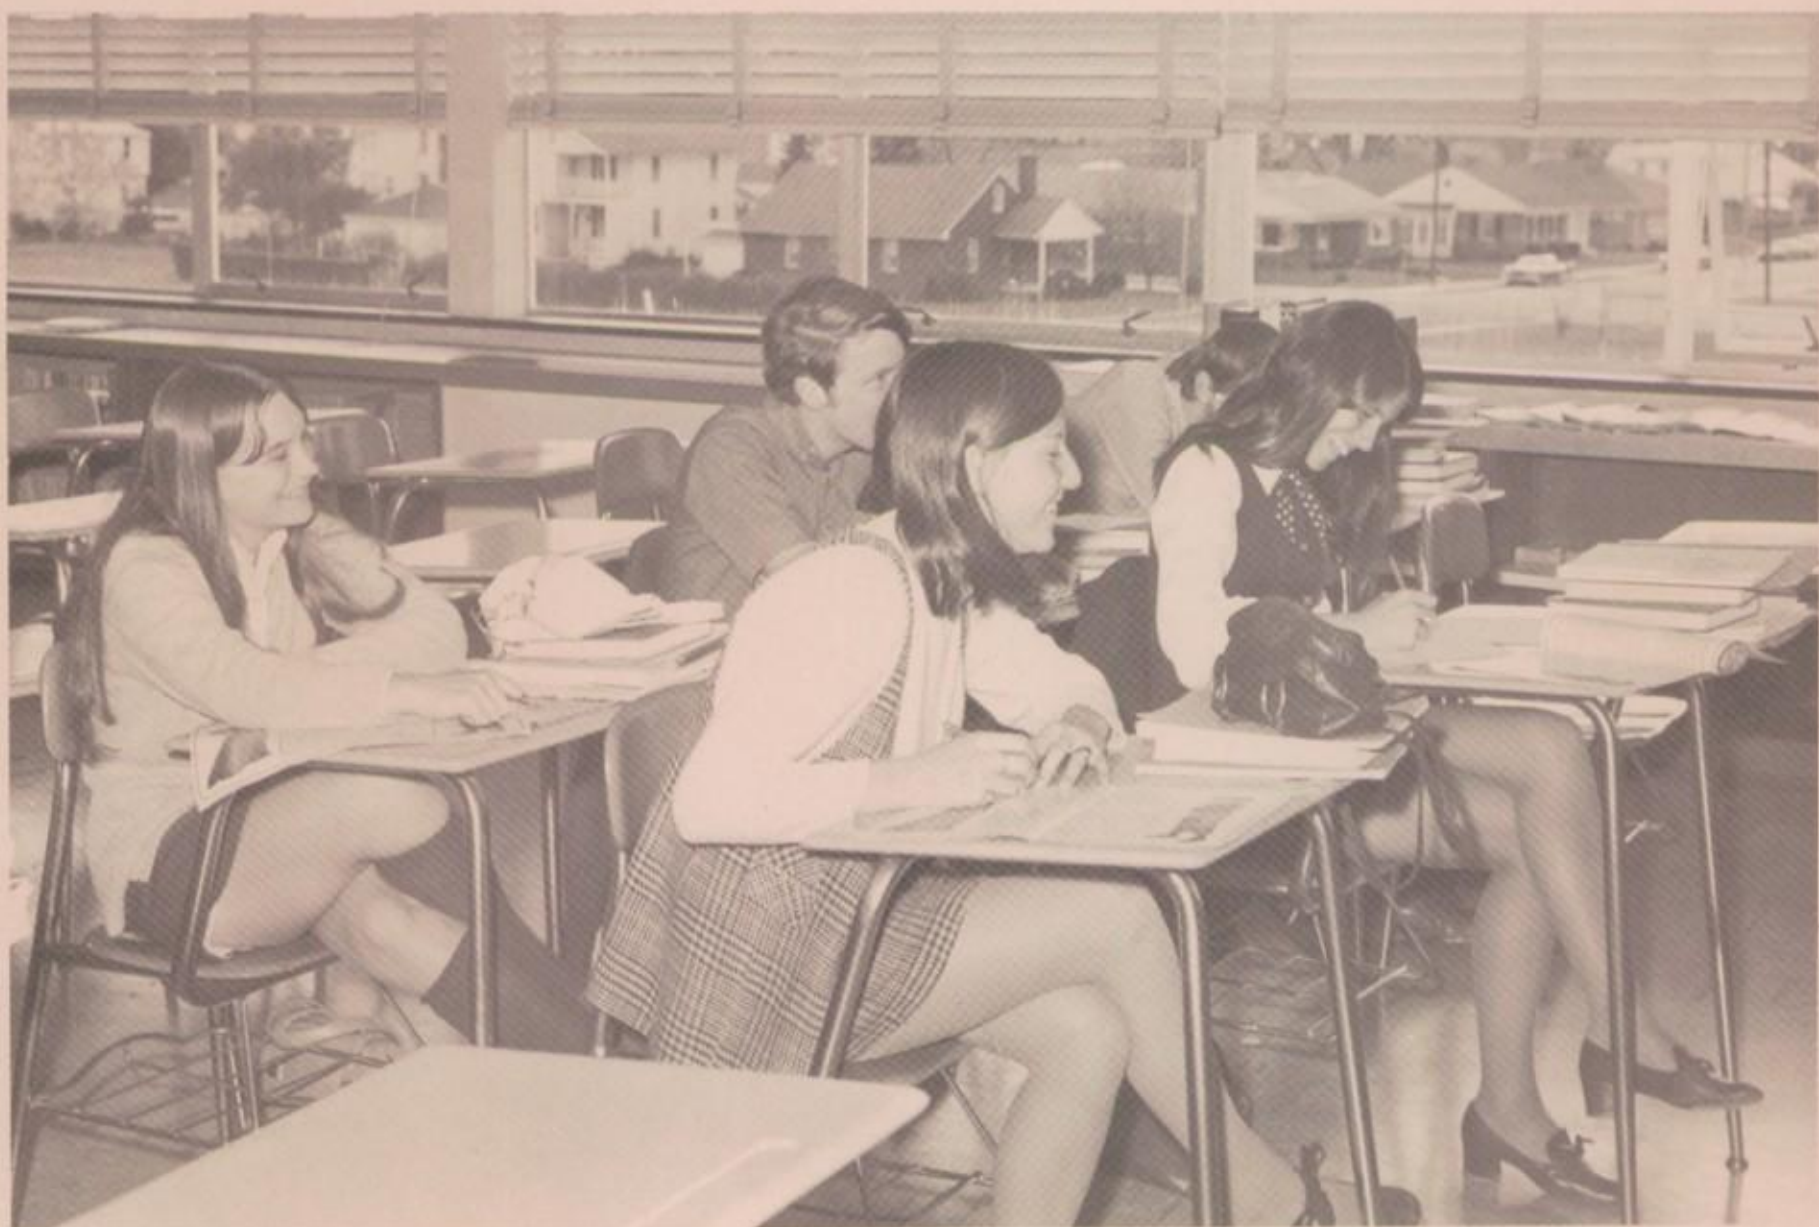

*These images soon
daily grind of clas
and elections, but we
of these ordinary
they were our last.*

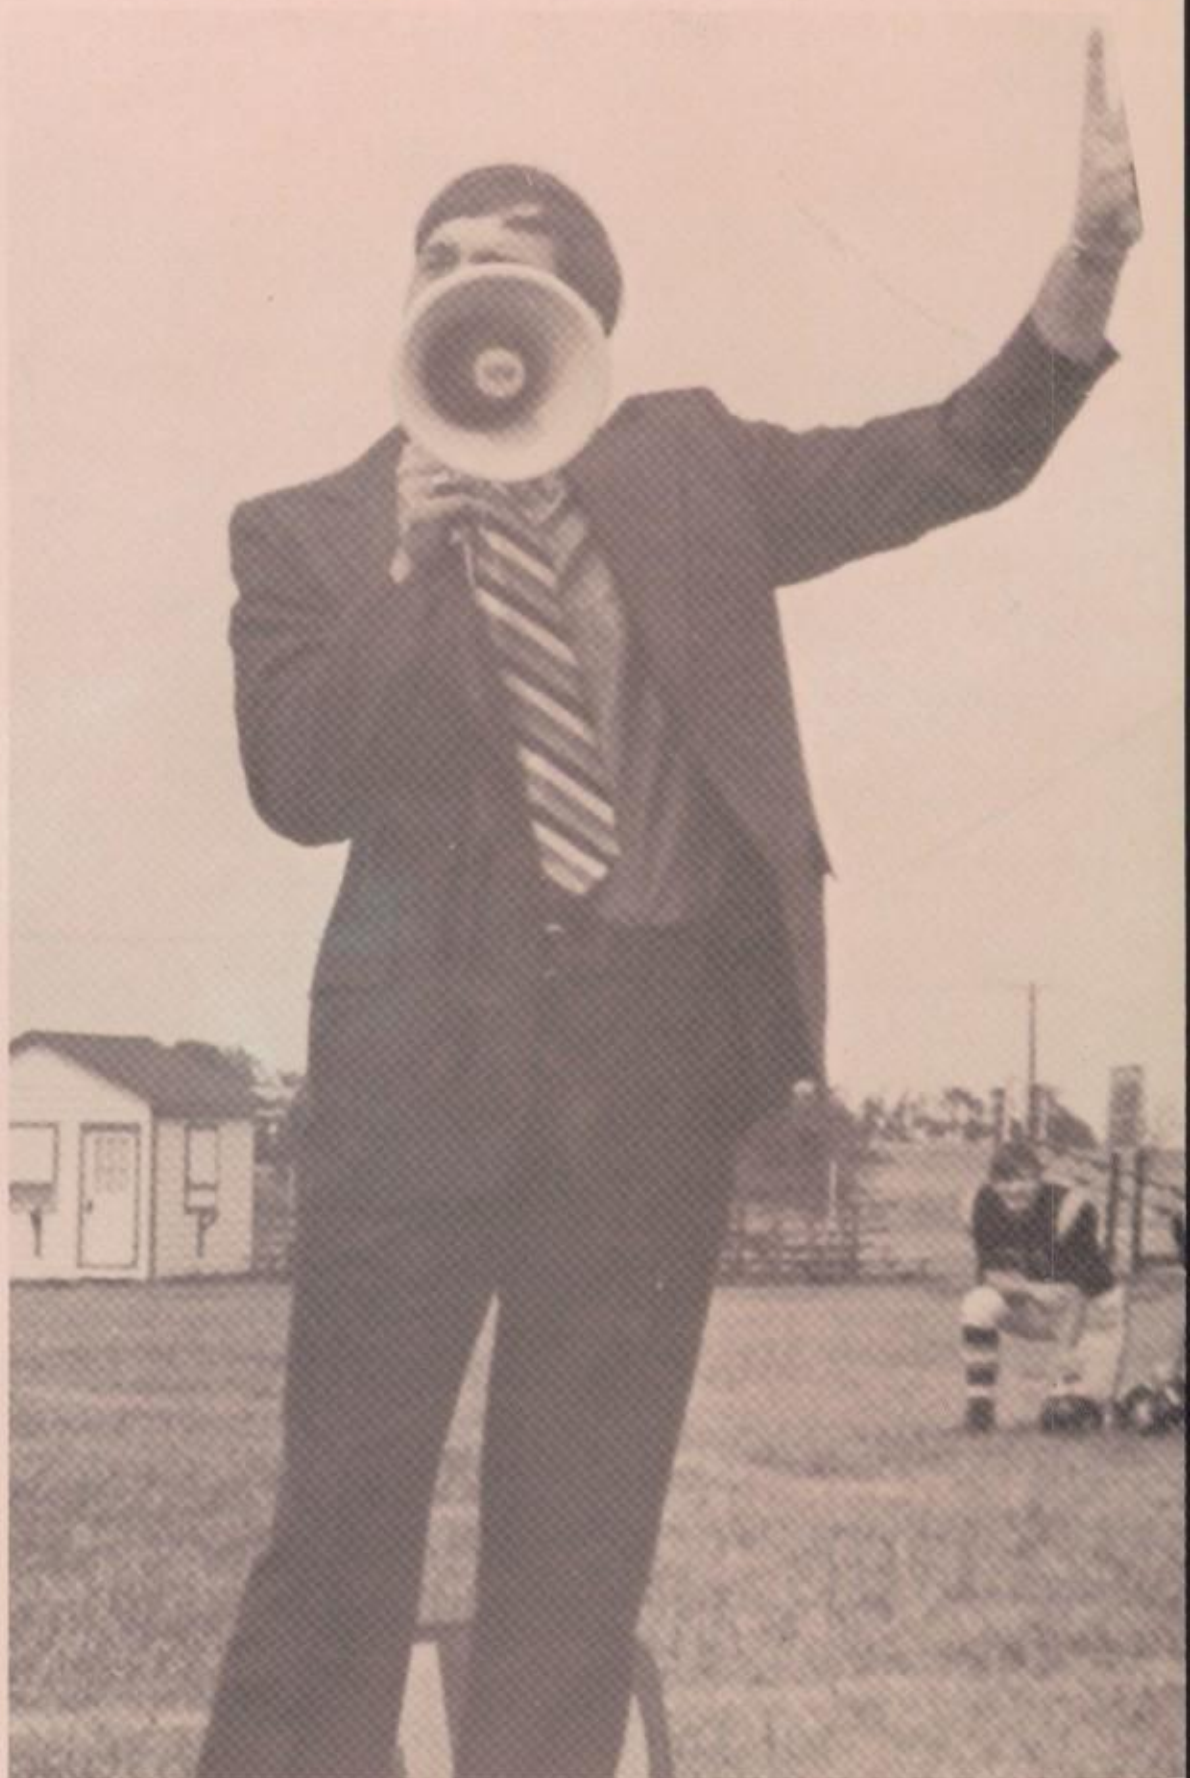

*blend into the
ses, meetings, sales,
cling to every moment
occurrences as if*

• •

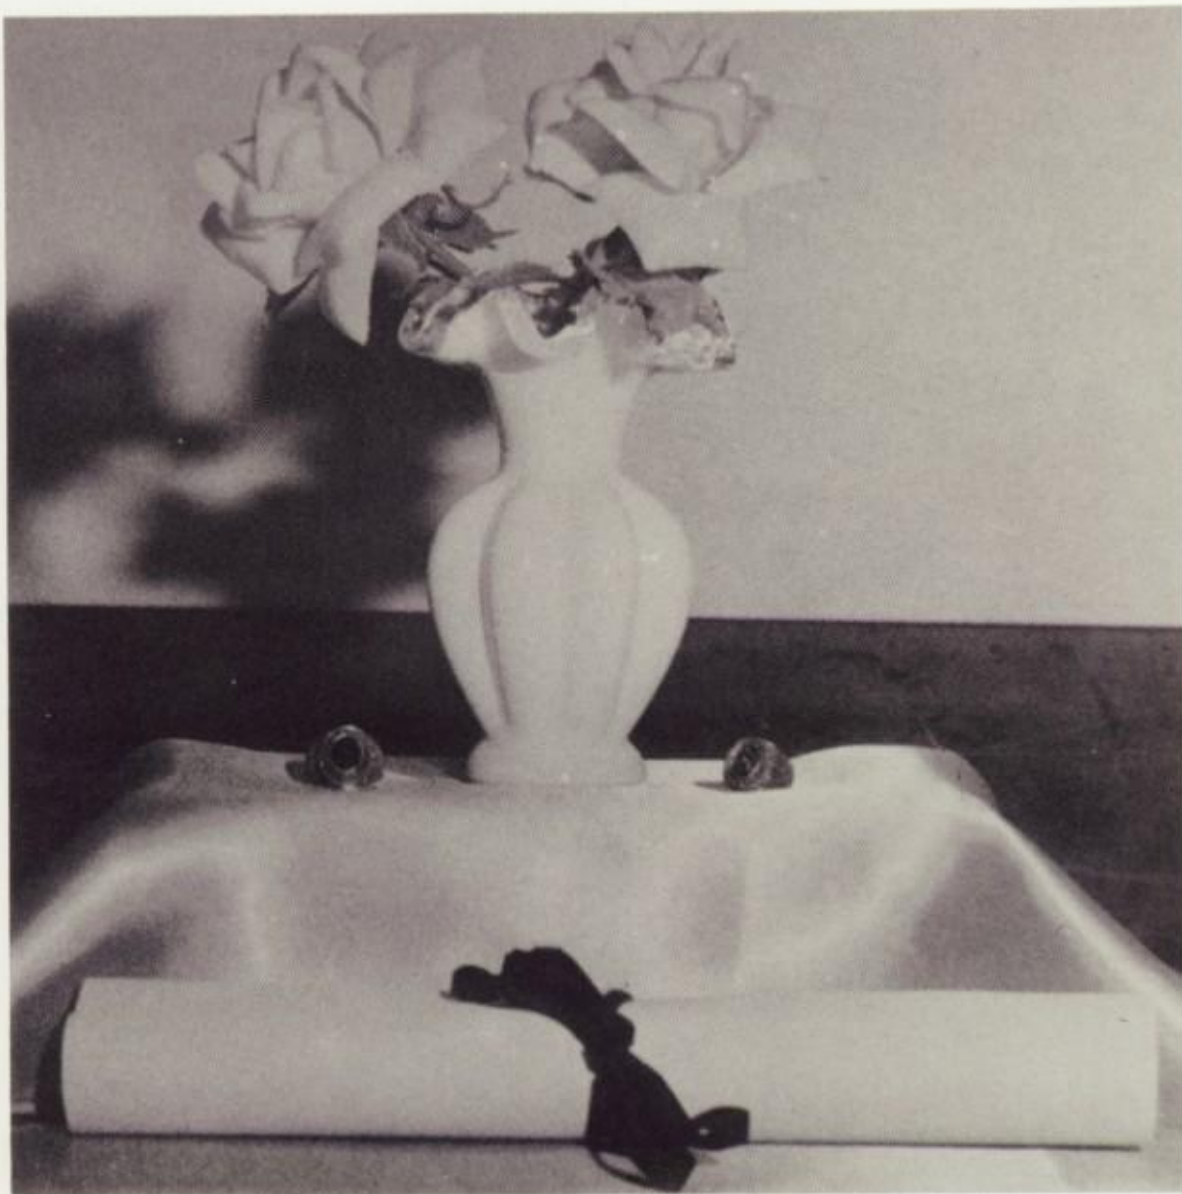

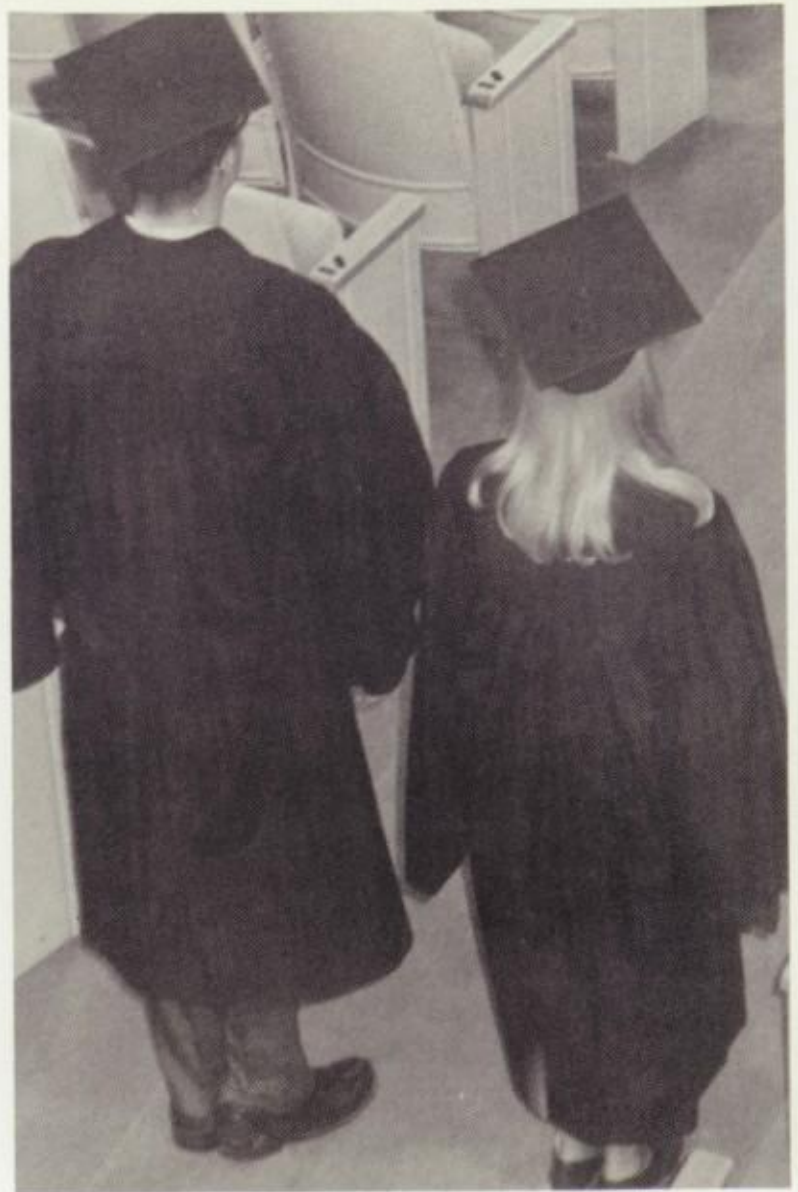

for in reality, they are, but we, as seniors, know, even though these years have been filled with many precious memories . . .

"Our time is yet to come."

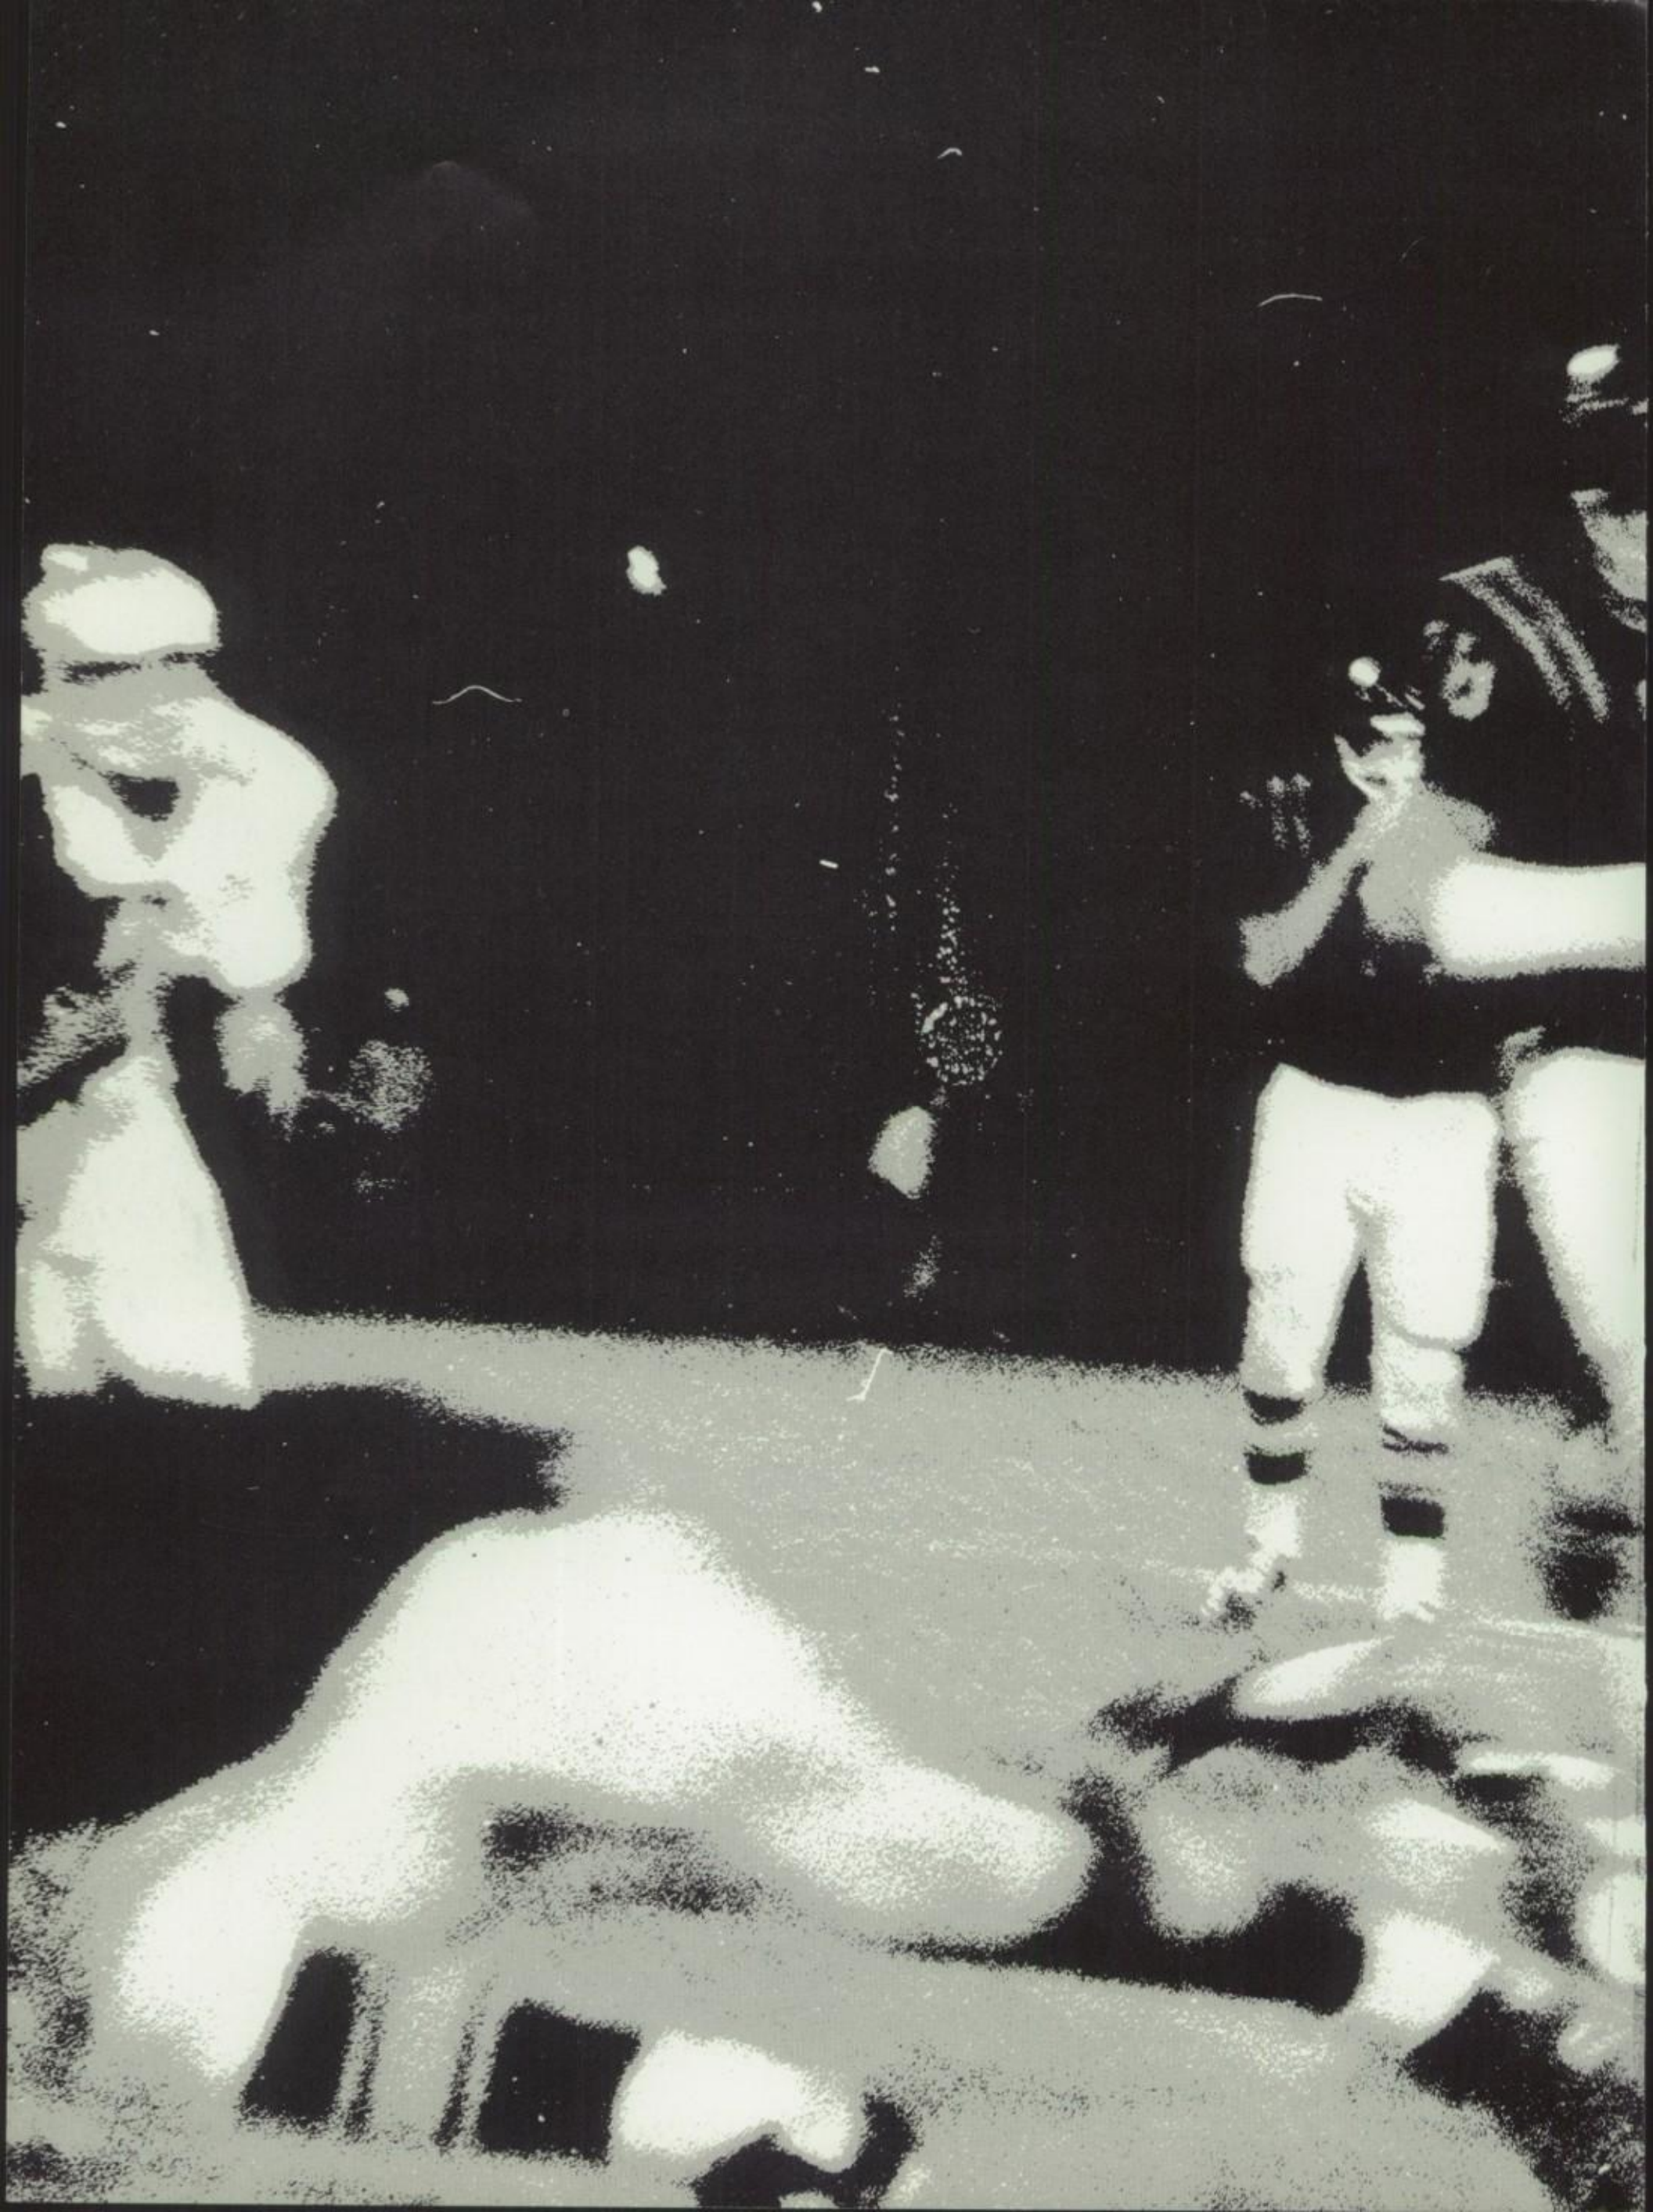

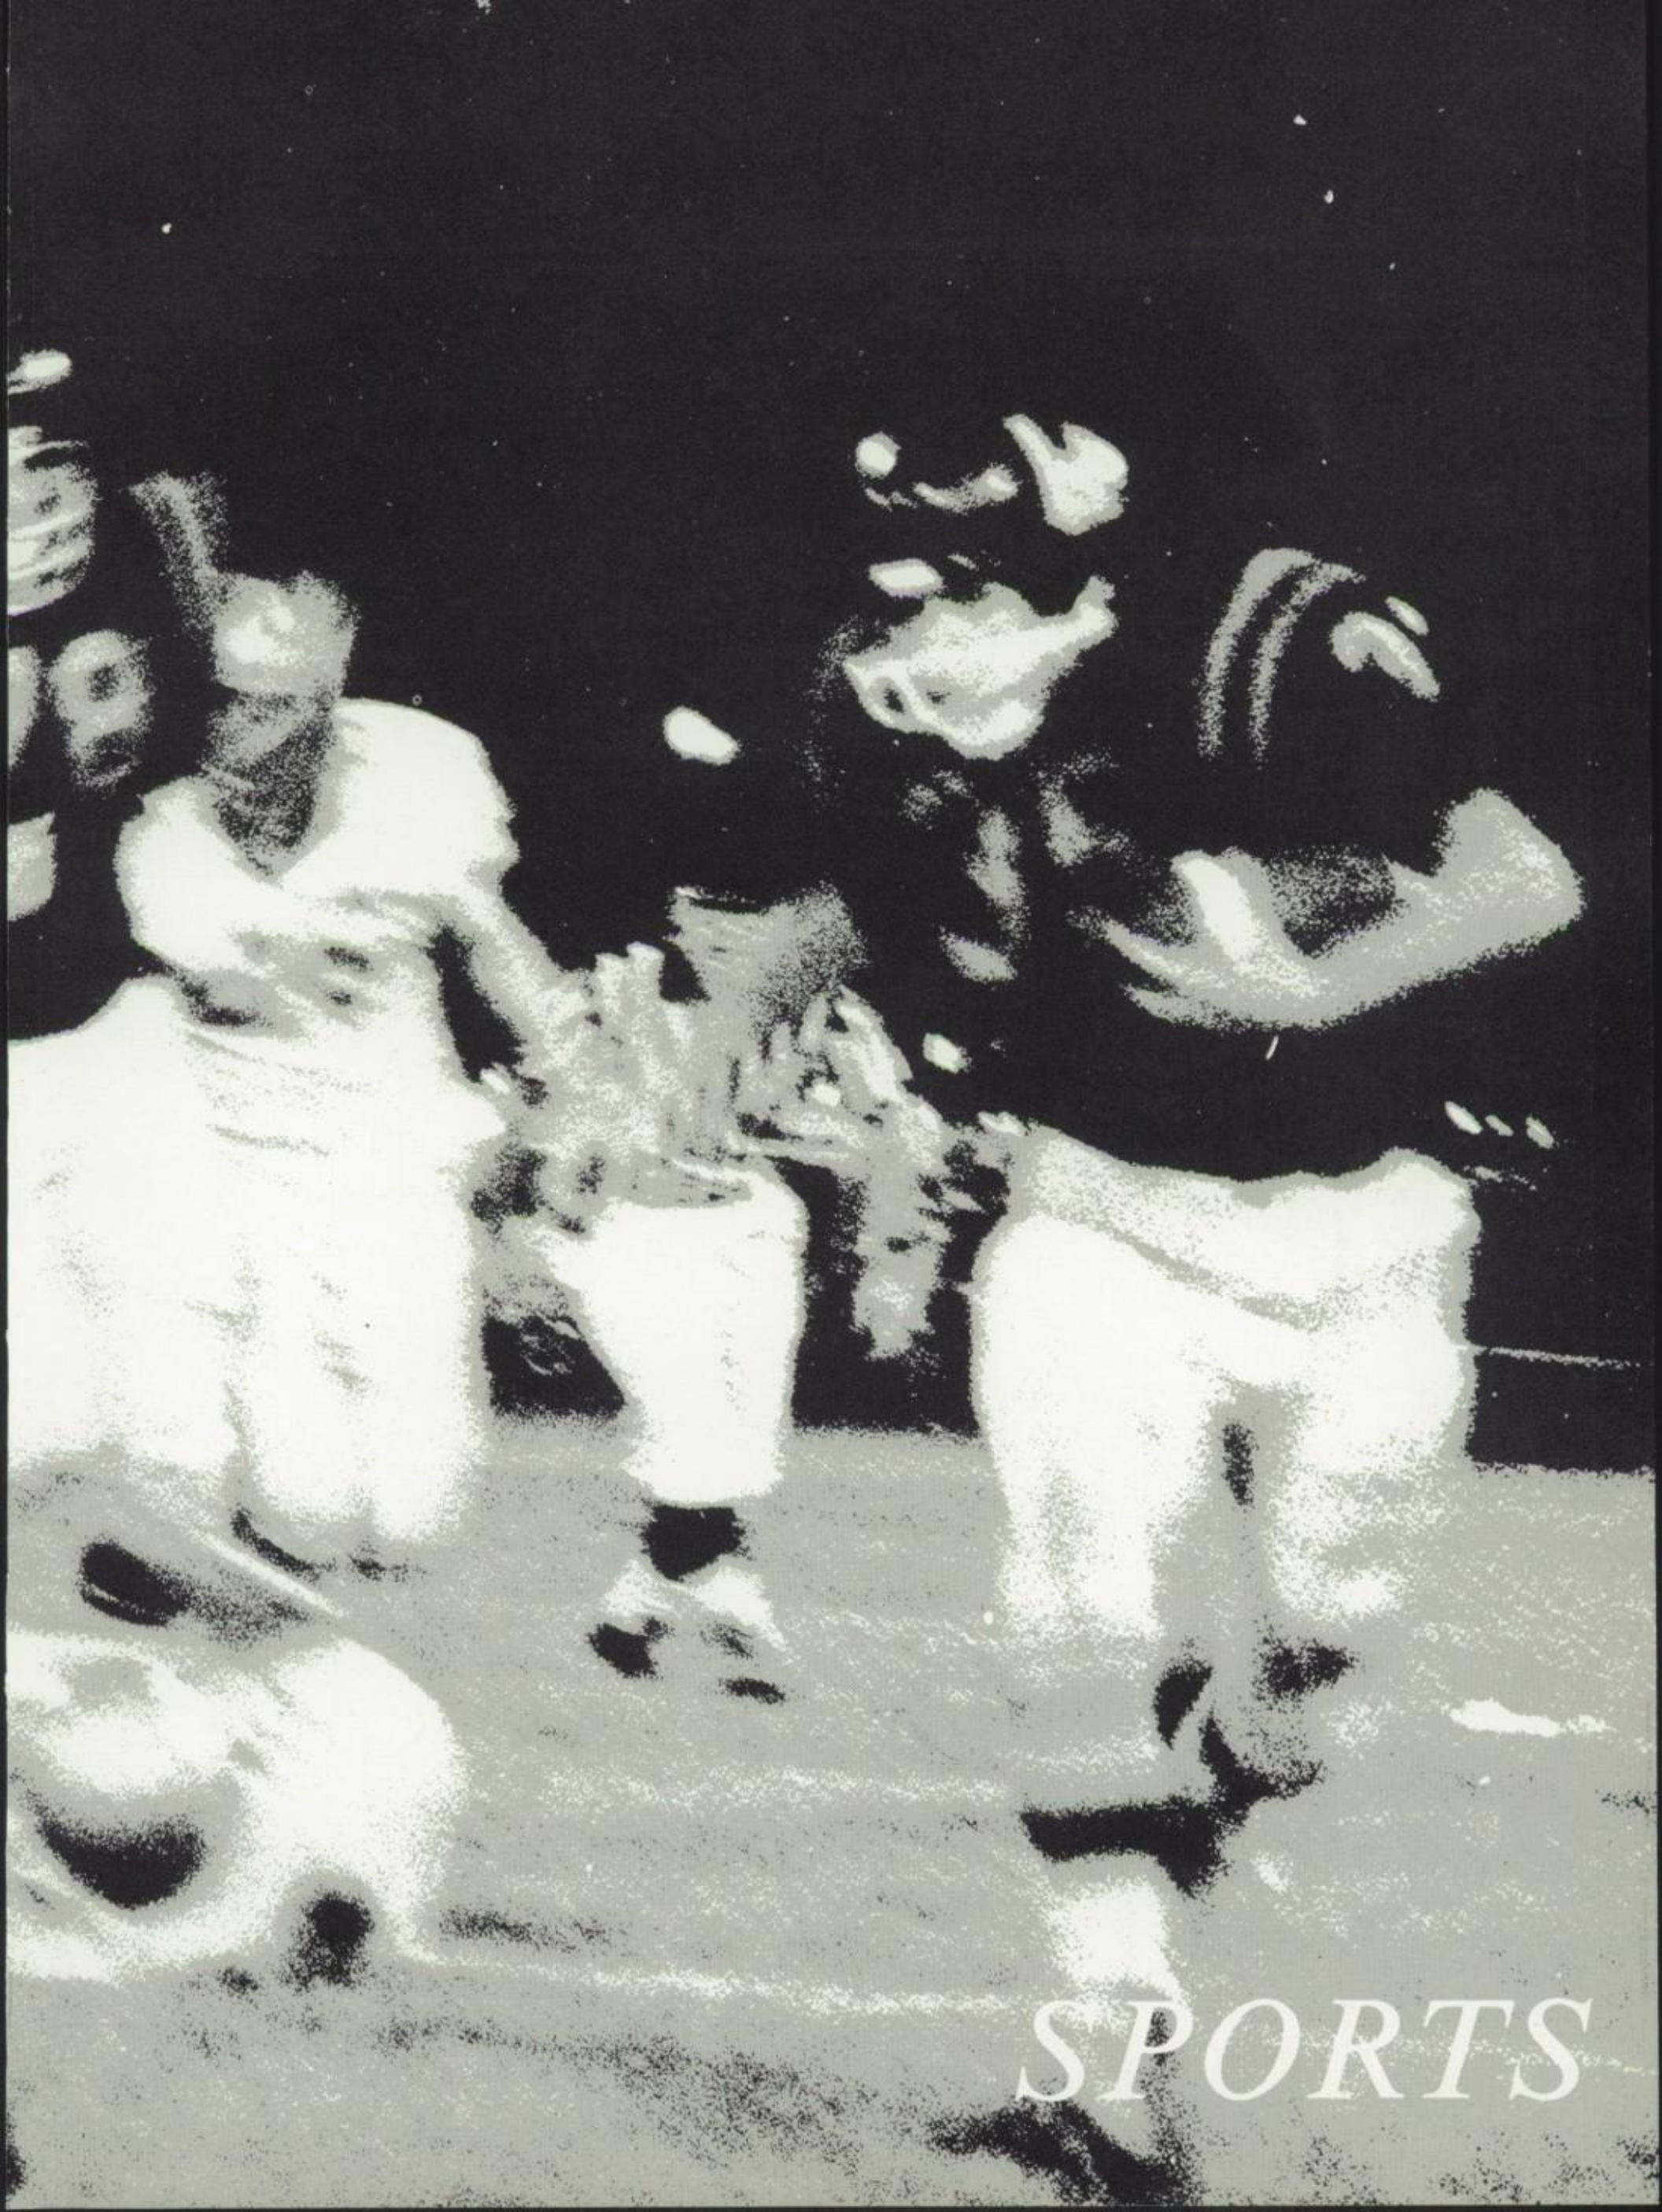

MARTHA INSKIP

DURING THE LAST SIX YEARS EACH MEMBER OF THE SENIOR CLASS HAS GONE TO THE LIBRARY MANY TIMES. UPON ENTERING, WE WERE GREETED WITH A FRIENDLY, "WHERE'S YOUR PASS"? IF WE DID NOT HAVE ONE IN OUR POSSESSION, WE WERE PROMPTLY EXPELLED. FINALLY, MANAGING TO ENTER "LEGALLY," THE WOMAN WITH THE IRON HAND TRIED DESPARATELY TO KEEP US QUIET. IF THIS COULD NOT BE ACCOMPLISHED WE WERE DIRECTED OUT BY AN OUTSTRETCHED ARM AND A POINTED FINGER. WHEN IN NEED OF AID, HOWEVER, THE "THIN WOMAN" WOULD ALWAYS COME THROUGH. IT IS WITH DEEP GRATITUDE THAT WE, THE CLASS OF '71, DEDICATE THE LITTONIAN TO MARTHA INSKIP, A TRULY BRILLIANT AND DEDICATED WOMAN.

The '70-'71 basketball dribblers utilized quickness, speed and shooting ability to make up for what they lacked in height. Through team effort and playing ability, they were able to overcome many obstacles. Overall the Bolts displayed their determined spirit when the going got rough and finished with a fine season.

JR. HIGH BASKETBALL NINTH GRADE TEAM

Coach Jim Harbold

The Junior Varsity, ninth grade, and seventh and eighth grade all turned in outstanding seasons on the hardwood. The ninth grade team finished with an 11-3 record and the seventh and eighth finished 8-6. From the talent displayed by these teams, basketball at L.H.S. has a bright outlook for the future.

This year's matmen got off to a great start, being undefeated about midway through the season. However as the season progressed, they met some much more experienced competition. It must be understood also, that the Bolts were unable to fill some important weight classes due to injuries and insufficient men at the right weight classifications. Even with these handicaps, the matmen turned in one of the finest seasons in the wrestling history of L.H.S.

1970 JR.-SR. PROM

In May of 1970 we honored the senior class at "Camelot." Upon entering across the drawbridge, the guests met the soft candlelight, gala tapestry, and festive shields of the medieval castle. Everyone had a very enjoyable evening while dancing, around the fountain, to the music of "Rudy Carroll's Band". The romance of the days of chivalry and beautiful ladies was living in the hearts of all there.

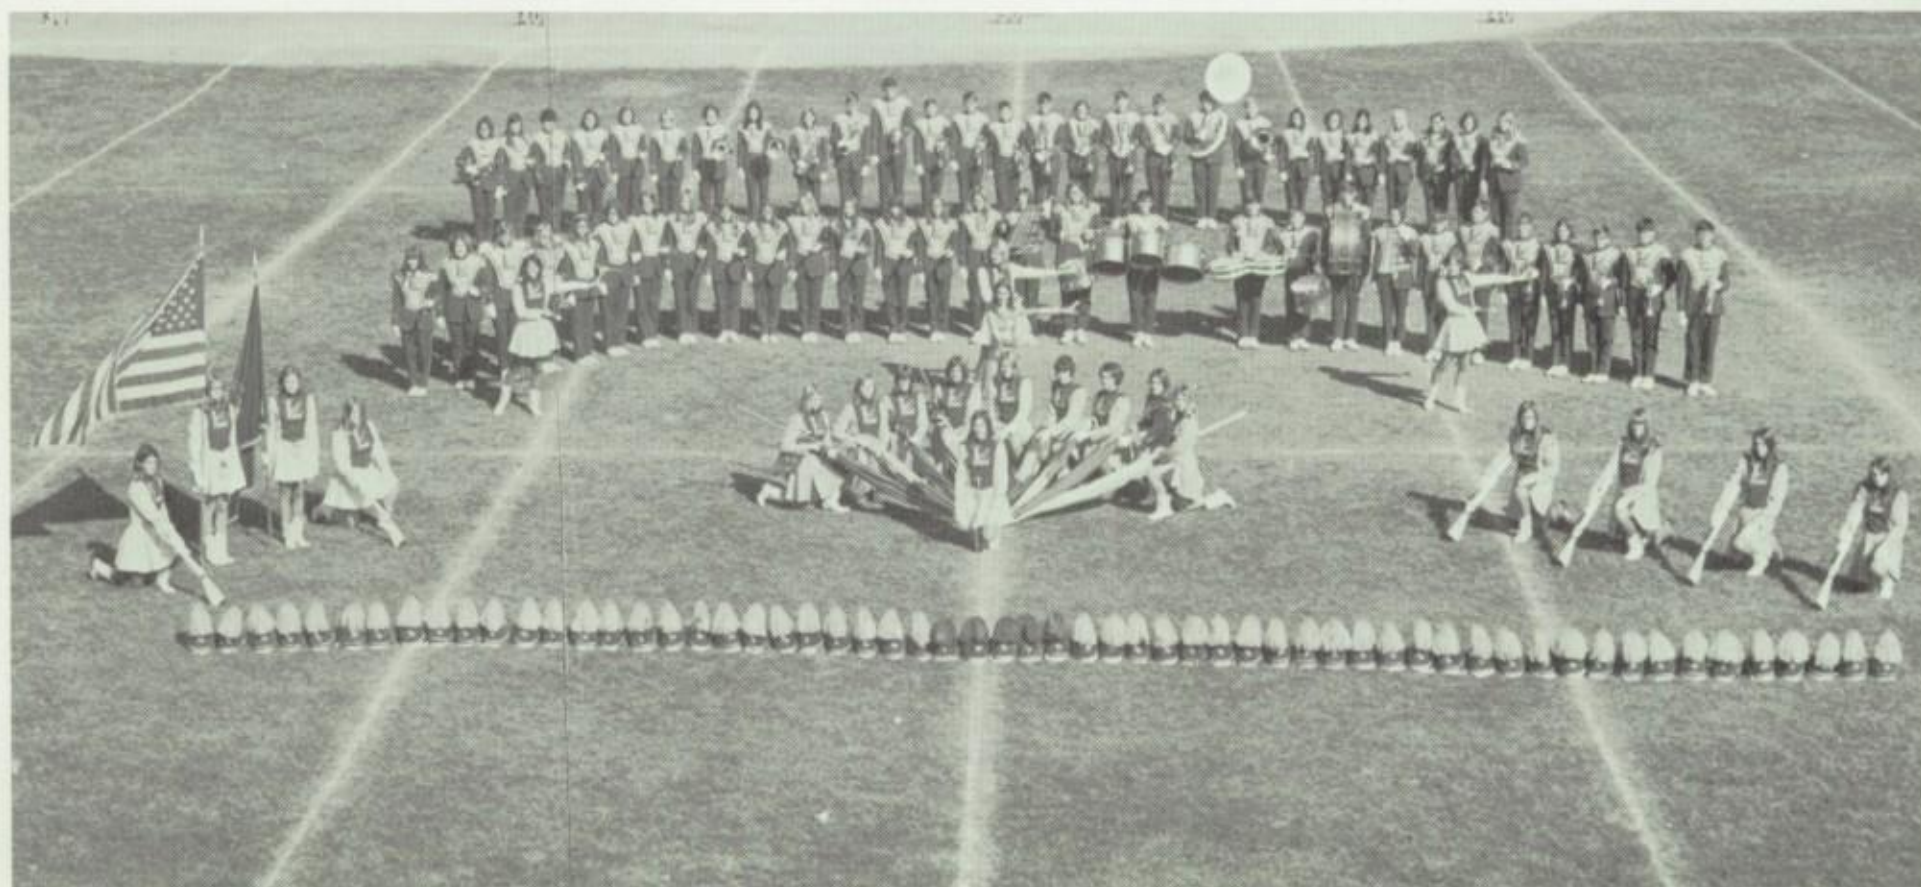

1970 CHRISTMAS DANCE

On December 19, 1970, the senior class presented the annual Christmas dance. Everyone at the "Mistletoe Ball" had a very enjoyable evening, thanks to the hard work and ingenuity of the decorating committees. The warmth and friendliness was a welcome atmosphere, as we arrived through the gigantic wreath. The music, provided by "The Peace Revolution" was as delightful as the other ingredients which combined to make a wonderful time for all who attended.

CLASS HISTORY

As frightened seventh graders we scampered through the halls looking for the swimming pools and elevators. As we grew older and wiser, we realized the hoaxes the upperclassmen had played and settled down to junior high routines.

Our junior high years were filled with fun and excitement. We had to get along without recess and become accustomed to cheering our Alma Mater in sports and all school activities.

In our second year in junior high, we took advantage of all the opportunities offered to us, such as junior high sports and selling magazines. Always we anxiously looked forward to our freshman year.

Thus as freshman we entered into junior varsity and varsity sports. We also sold more magazines, reached our goal and saw a full-length movie. For our projects ours was the first class to use movies as a money-making project. We presented the "BLOB" in our own auditorium and made a small fortune in proceeds.

In Septmeber, '68 we took our place as the Sophomore Class. We attended the Christmas Dance, using all our courage to ask somebody special and always we went on cheering our "Bolts" to victory. As our class project, we sponsored a car wash.

Our junior year we planned the Prom, the theme being "Camelot." As a class project we sold Wolfgang Candy.

Finally, we realized the goal which we had set six years earlier, planning for the day when we would go out into the world and set our sights on new ones. During this final year we began serious preparation for our new life. We planned the Christmas Dance and accepted the responsibilities of taking charge of the schools activities given to Seniors. Then comes graduation and the moment of truth . . .

Respectfully submitted,

The theme of the 1971 Littonian was time and we spent a lot of it in our efforts to give you a bigger and better book this year.

I'd like to thank all the people who helped make this Littonian what it is. Many thanks go to the administration and faculty for the patience and understanding concerning the interruption of classes. Sponsors, patrons, and parents helped us greatly on the financial end of things with their generous contributions.

I hope that nobody regrets his investment and that all the precious memories of the 1970-72 school year are preserved in the Littonian '71.
